IT IS RECOMMENDED THAT YOUR BOARD:

1. Approve amending the following contracts for operation and management of transit services to enable these contracts to continue on a month-to-month basis for up to six months starting October 1, 2003, while Public Works completes the solicitation process for replacement contracts.
 - Contract No. 71878 with Oldtimers Foundation for the Walnut Park/Florence-Graham Paratransit Service;
 - Contract No. 71904 with Watts Labor Community Action Committee for the Willowbrook/Athens/Rancho Dominguez Paratransit Service; and
 - Contract No. 71937 with Watts Labor Community Action Committee for the Hahn's Trolley and Shuttle Service.
2. Authorize Public Works to monthly encumber up to \$14,000 for Walnut Park/Florence-Graham Paratransit Service, \$12,000 for Willowbrook/Athens/Rancho Dominguez Paratransit Service, and \$55,000 for Hahn's Trolley and Shuttle Service. Funds are available in Public Works' 2003-04 Local Return Transit Fund budget.
3. Instruct the Chair to sign the amendments.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

On September 8, 1998, Synopsis 39, your Board approved Contract No. 71878 with Oldtimers Foundation for the operation and management of the Walnut Park/Florence-Graham Paratransit Service to provide paratransit service to eligible patrons of the unincorporated area of Walnut Park/Florence-Graham; Contract No. 71904 with Watts Labor Community Action Committee for the operation and management of the Willowbrook/Athens/Rancho Dominguez Paratransit Service to provide paratransit service to eligible patrons of the unincorporated areas of Willowbrook, Athens, and Rancho Dominguez; and Contract No. 71937 with Watts Labor Community Action Committee for the operation and management of the Hahn's Trolley and Shuttle Service to provide fixed-route transit service to eligible patrons of the unincorporated area of Willowbrook.

All three contracts were for an initial three-year period with two, 1-year renewal options beginning October 1, 1998. The purpose of this action is to continue these transit services on a month-to-month basis starting October 1, 2003, for up to six months while we complete the solicitation process for replacement contracts. The preparation of solicitations began several months ago, but the need for changes in the service areas and scope of work revisions requires us to request these extensions. When proposals have been received and evaluated, Public Works will recommend contract awards for continued provision of these transit services.

Implementation of Strategic Plan Goals

This action is consistent with the County's Strategic Plan Goal of Organizational Effectiveness. These amendments will continue to utilize contractors' expertise to effectively provide these transit services in a timely and effective manner as well as improve the quality of life in the County.

FISCAL IMPACT/FINANCING

The cost for the Walnut Park/Florence-Graham Paratransit Service is estimated to be \$14,000 per month, at an hourly rate of \$27.32. For the Willowbrook/Athens/Rancho Dominguez Paratransit Service the cost is estimated to be \$12,000 per month, at an hourly rate of \$31.32. For the Hahn's Trolley and Shuttle Service the cost is estimated to be \$55,000 per month, at an hourly rate of \$37.74. These rates include a three percent cost-of-living adjustment. There will be no impact on net County costs. Funds are available in Supervisorial Districts 1 and 2 Proposition A Local Return Transit funds included in the Transit Enterprise Fund administered by Public Works.

What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents to give up their baby confidentially. As long as the baby has not been abused or neglected, parents may give up their newborn without fear of arrest or prosecution.

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially and safely give up a baby within three days of birth. The baby must be handed to an employee at a Los Angeles County emergency room or fire station. As long as the child shows no signs of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, workers will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their newborns within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

In most cases, a parent will bring in the baby. The law allows other people to bring in the baby if they have legal custody.

Does the parent have to call before bringing in the baby?

No. A parent can bring in a baby anytime, 24 hours a day, 7 days a week so long as the parent gives the baby to someone who works at the hospital or fire station.

Does a parent have to tell anything to the people taking the baby?

No. However, hospital personnel will ask the parent to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the child. Although encouraged, filling out the questionnaire is not required.

What happens to the baby?

The baby will be examined and given medical treatment, if needed. Then the baby will be placed in a pre-adoptive home.

What happens to the parent?

Once the parent(s) has safely turned over the baby, they are free to go.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned by their parents and potentially being hurt or killed. You may have heard tragic stories of babies left in dumpsters or public bathrooms. The parents who committed these acts may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had nowhere to turn for help, they abandoned their infants. Abandoning a baby puts the child in extreme danger. It is also illegal. Too often, it results in the baby's death. Because of the Safely Surrendered Baby Law, this tragedy doesn't ever have to happen in California again.

A baby's story

At 8:30 a.m. on Thursday, July 25, 2002, a healthy newborn baby was brought to St. Bernardine Medical Center in San Bernardino under the provisions of the California Safely Surrendered Baby Law. As the law states, the baby's mother did not have to identify herself. When the baby was brought to the emergency room, he was examined by a pediatrician, who determined that the baby was healthy and doing fine. He was placed with a loving family while the adoption process was started.

Every baby deserves a chance for a healthy life. If someone you know is considering abandoning a newborn, let her know there are other options.

It is best that women seek help to receive proper medical care and counseling while they are pregnant. But at the same time, we want to assure parents who choose not to keep their baby that they will not go to jail if they deliver their babies to safe hands in any Los Angeles County hospital ER or fire station.

Sin pena.

Sin culpa.

Sin peligro.

¿Qué es la Ley de Entrega de Bebés Sin Peligro?

La Ley de Entrega de Bebés Sin Peligro de California permite a los padres entregar a su recién nacido confidencialmente. Siempre que el bebé no haya sufrido abuso ni negligencia, padres pueden entregar a su recién nacido sin temor a ser arrestados o procesados.

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura, dentro de los tres días del nacimiento. El bebé debe ser entregado a un empleado de una sala de emergencias o de un cuartel de bomberos del Condado de Los Angeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazaletes y el padre/madre recibirá un brazaletes igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden empezar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Angeles, al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

En la mayoría de los casos, los padres son los que llevan al bebé. La ley permite que otras personas lleven al bebé si tienen la custodia legal del menor.

¿Los padres deben llamar antes de llevar al bebé?

No. El padre/madre puede llevar a su bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, mientras que entregue a su bebé a un empleado del hospital o de un cuartel de bomberos.

¿Es necesario que el padre/madre diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital le pedirá que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para los cuidados que recibirá el bebé. Es recomendado llenar este cuestionario, pero no es obligatorio hacerlo.

¿Qué ocurrirá con el bebé?

El bebé será examinado y, de ser necesario, recibirá tratamiento médico. Luego el bebé se entregará a un hogar preadoptivo.

¿Qué pasará con el padre/madre?

Una vez que los padres hayan entregado a su bebé en forma segura, serán libres de irse.

¿Por qué California hace esto?

La finalidad de la Ley de Entrega de Bebés Sin Peligro es proteger a los bebés del abandono por parte de sus padres y de la posibilidad de que mueran o sufran daños. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Es posible que los padres que cometieron estos actos hayan estado atravesando dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus recién nacidos porque tenían miedo y no tenían adonde recurrir para obtener ayuda. El abandono de un recién nacido lo pone en una situación de peligro extremo. Además es ilegal. Muy a menudo el abandono provoca la muerte del bebé. Ahora, gracias a la Ley de Entrega de Bebés Sin Peligro, esta tragedia ya no debe suceder nunca más en California.

Historia de un bebé

A las 8:30 a.m. del jueves 25 de julio de 2002, se entregó un bebé recién nacido saludable en el St. Bernardine Medical Center en San Bernardino, en virtud de las disposiciones de la Ley de Entrega de Bebés Sin Peligro. Como lo establece la ley, la madre del bebé no se tuvo que identificar. Cuando el bebé llegó a la sala de emergencias, un pediatra lo revisó y determinó que el bebé estaba saludable y no tenía problemas. El bebé fue ubicado con una buena familia, mientras se iniciaban los trámites de adopción.

**Cada recién nacido merece una
oportunidad de tener una vida saludable.
Si alguien que usted conoce está pensando
en abandonar a un recién nacido, infórmele
qué otras opciones tiene.**

Es mejor que las mujeres busquen ayuda para recibir atención médica y asesoramiento adecuado durante el embarazo. Pero al mismo tiempo, queremos asegurarles a los padres que optan por no quedarse con su bebé que no irán a la cárcel si dejan a sus bebés en buenas manos en cualquier sala de emergencia de un hospital o en un cuartel de bomberos del Condado de Los Angeles.
